

Starflower Experiences Presents:

EARTHKEEPERS™ CAMP

If you like being outdoors, if you care about our fragile planet and if you want to learn more about the earth and how to care for it, then you should become an Earthkeeper.

Visit Mama Nature's Munch Room, meet a "Spec," dig up a buried time capsule and find out the secret meanings of "E.M." while rediscovering the natural world.

E.M. is the keeper of the keys, a mysterious lover of the marvels and mysteries of the natural world. E.M. knows that the earth is in trouble but E.M. also knows how people can help renew their connections with the earth. Becoming an Earthkeeper like E.M. is an important task.

Participate in this magical learning adventure and earn four keys to help you live in harmony with the earth and understand how the systems of life on earth operate.

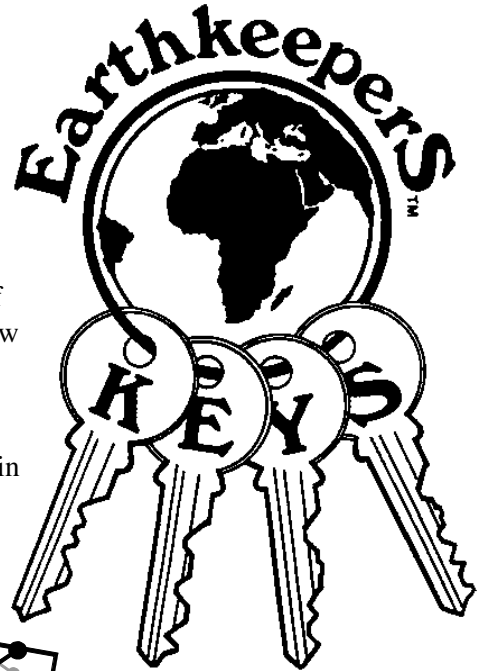

Directions and further information will be mailed upon registration.

The Earthkeepers™ program, developed by The Institute for Earth Education, is currently being run at sites across the U.S., Canada, Britain, Australia, Germany, The Netherlands, Japan, and Finland.

Starflower Experiences, Inc. is a local not-for-profit educational organization with a reputation for conducting exciting participatory environmental experiences for schools and other settings.

For more information about Earthkeepers™ or Starflower Experiences, call (516) 938-6152 or write: Starflower Experiences, 79 Martin Ct., Jericho NY 11753-2407 or StarflExp@aol.com

Dear E.M.,
I had a lot of fun here. My favorite part was when we... used a map to get around. Along the way we crossed a fallen tree and got friends like you did.
--Samantha

Dear E.M.,
When I earn all of my keys I will finally see who you are! Anyway I am earning my Y and S keys so I will see you next time.
--Briauna

When: July 7-11, 2008
8:45 - 12:30
Where: Sweet Hollow Hall,

Earth Explorers

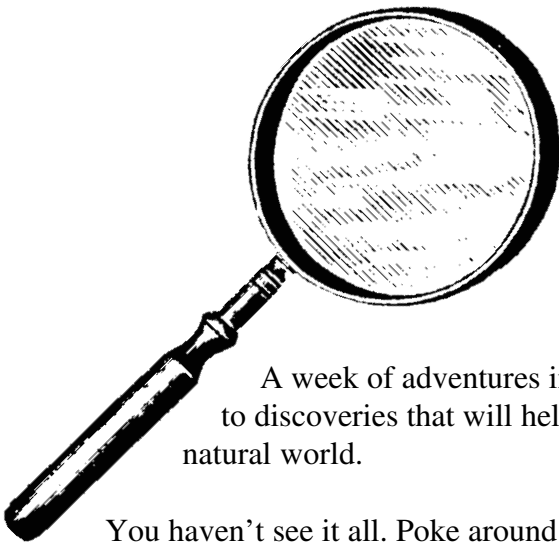

July 14-18, 2008

July 21-25, 2008*

You are eligible if:

- ✎ you are an Earthkeeper
- ✎ you are an Earth Ranger
- ✎ you are an Apprentice Earthkeeper (are attending Earthkeepers training July 7-11)

explorer:
earth explorer:

*to seek for or after discoveries
someone who seeks out wonders of the natural
world and ways they can take better care of it*

A week of adventures in local natural areas will lead to discoveries that will help you find your place in the natural world.

You haven't see it all. Poke around in places you haven't yet been. Go up hills, peer under logs, find out where those other trails lead. Truly get to know this natural area. Plus, uncover more of your hidden connections to the earth's systems.

We'll head out to explore other locations, too, and maybe even go on a canoe trip. At least one day we'll meet at our new location: Manor Farm.

Where: Sweet Hollow Hall, West Hills County Park, Melville (where you came for your Earthkeepers or Earth Rangers training)

When: July 14-18, 2008
July 21-25, 2008
9:00 am to 3:30 pm

How much: \$130.00/week

To register: use the form on the reverse
More info will be sent to you prior to the session.

***NOTE: The first week (July 14-18) is geared to those who are recently trained as Earthkeepers or Earth Rangers. The second week (July 21-25) is geared more for those who have already completed training and/or have joined us for Earth Explorers before.**
